Professional Summary

Data Science student at M.S. Ramaiah University of Applied Sciences and aspiring data scientist focused on solving real-world problems using technology. Experienced in data analysis, machine learning, and visualization with strong skills in Python, SQL, and Power BI.

Education

B.Sc (Hons) Data Science and Analytics
M.S. Ramaiah University of Applied Sciences

2024 – 2028

Technical Skills

- **Programming:** Python, R, SQL
- **Tools:** Excel, Power BI
- **Core:** Data Analysis, EDA, Statistical Analysis, Machine Learning
- **Advanced:** Regression, Time Series, Data Mining, Data Warehousing

Experience

Data Analyst Intern
Future Interns

Feb 2026 – Mar 2026

- Performed data cleaning, preprocessing, and visualization
- Extracted insights for data-driven decision-making
- Developed analytical reports and dashboards

Data Analyst Intern
Unified Mentor

Jan 2026 – Jul 2026

- Analyzed datasets to identify trends and patterns
- Built data-driven solutions using Python
- Worked on machine learning and analytics projects

Projects

EduPro Student Segmentation and Personalized Course Recommendation System

[GitHub](#)

[Streamlit Dashboard](#)

[Research Report](#)

- Developed an AI-driven educational analytics system for learner segmentation and personalized course recommendations
- Implemented K-Means and Hierarchical Clustering for student behavior analysis
- Built an interactive Streamlit dashboard with prediction, visualization, and recommendation features

Customer Retention & Churn Analysis
[GitHub](#)

- Built Random Forest model for churn prediction
- Analyzed customer data to identify retention patterns
- Developed Power BI dashboard

Customer Behaviour & Marketing Funnel Analysis

[GitHub](#)

- Analyzed user engagement using Google Analytics data
- Identified funnel drop-offs and trends
- Built visualization dashboards

Retail Sales Performance Analytics

[GitHub](#)

- Conducted EDA and trend analysis
- Built insights for business performance

Certifications

Tata - GenAI Powered Data Analytics View Certificate	Dec 2025
British Airways - Data Science View Certificate	Jan 2026
Data Science & Analytics View Certificate	Mar 2026
AI Tools Workshop View Certificate	Mar 2026
Introduction to Data Analysis using Microsoft Excel View Certificate	Apr 2026
Data Science VS Machine Learning VS Artificial Intelligence View Certificate	May 2026
